

UMAC News July 30, 2002

Dear UMAC member/potential member

Preparations for the UMAC (International Committee for University Museums and Collections) conference in Sydney are proceeding at an accelerating rate. We are making a special effort to attract people from the Southern Hemisphere as well as Europe and USA.

At present we have accepted over 20 papers and 5 posters and others have been promised shortly. Acceptance of presentations will remain open for at least the next fortnight unless we have a sudden flood of offers.

Please do consider coming to Australia. We will do all in our power to make your visit a conference to remember with delight and the start of important partnerships and ideas. If you are thinking of registering, please do it as soon as possible.

To those of you who have already registered, thank you and please do not hesitate to write if you have any questions.

Our website with the conference program and other details is

www.icom.org/umac

The date of the conference is 29 September - 4 October 2002.

Students are especially welcome at the conference.

Sincerely

Peter
